A MESSAGE FROM THE PRINCIPAL

Dear Students, Parents, Guardians.

Welcome to NCCS Secondary School. Centrally located at Paknajol, Kathmandu, NCCS is affiliated to the National Examinations Board (NEB) for 10+2 management stream with the aim to achieve academic excellence in the field of education since 20 years.

NCCS has earned a reputation of academic excellence through the hard work of our Students, Teachers, Staff and Parents. NCCS is proud to support numerous challenging academic courses that include Plus 2, BIM, BHM, BBM, BCA, BSc.CSIT, that include practical learning, visuals and various projects during the complete academic session for the students. We encourage you to experience our school culture, one that is focused on providing students with the academic and social resources that will prepare them to achieve their post-secondary goals.

Our fundamental purpose is to provide outstanding educational programs in a safe and peaceful environment with well equipped classes, practical teaching and learning methodology in by our caring and dedicated educators. At NCCS we believe that it is important for our students to be connected to school through positive relationships and a strong sense of community. We believe that every student can learn and be successful if provided the right supports and opportunities to explore. Our

teachers and staff are committed to providing all students with an appropriate and challenging educational experience in a respectful environment that fosters learning and growth.

The educational programs are run in well equipped classes with practical teaching and learning methodology in a safe and peaceful environment. We strive to continue to develop new programs & incorporate new techniques that will enhance their knowledge and prepare them for challenges in future. Apart from providing individual attention to every student, the student's progress is monitored throughout the session and follow-up is done periodically with the Parents/guardians.

Upon completion of Plus 2, our student will be competitive with adequate knowledge needed to participate in the graduation courses of Management, Humanities, Public Administration, Chartered Accountancy, IT Management & many more with sure success rate.

From the very inception of NCCS, our aim was to equip our student with the best possible high quality education from our well qualified, experienced & dedicated teachers. And our past experience & achievements have proved that all round development of a student is what it counts at the end. Our students have shown outstanding performance with excellent results in the past Plus 2 Board Examination with hundred percent

success rate and NCCS has been ranked in top ten institutions of the country evaluated by NEB.

NCCS Secondary School is a sister concern of National College of Computer Studies established back in 2001 under the affiliation of Nepal's oldest & prestigious Tribhuvan University. We are excited about the opportunities we have for learning & working together in order to benefit our students of NCCS. We will be happy to welcome those students who would wish to pursue their future studies in any of the Bachelor's degree courses instructed in NCCS College located in the same premises. We believe that a student's education is jointly shared responsibility of College and Parents and we can fulfill it together. I cordially invite all the parents, guardians to visit our college often & be an active participant in your ward's education. Our institution is a place where exceptional teaching and learning is the norm. Lastly I would like to thank for your interest in NCCS Secondary School and would like to wish you all the best.

Ganesh Man Singh Basnyat
Principal

INTRODUCTION

NCCS is truly an institution on the move, committed towards excellence in the field of education. Focusing in the field of Information Technology & Management, NCCS provides a best opportunity for the students to have allround development. Its surplus extracurricular activities, games and participation in inter college events bring forth all the talents of the young minds to take the challenges of this century to stand as the best in every aspect of the life.

VISION & MISSION

A literate society with a purpose, a progressive society with ideas and a conscious society working towards establishing a better and brighter future for all.

OBJECTIVES

NCCS aims to become a center of learning for young students who are determined to meet the challenges posed by the increasing pace of the scientific advancements and mobilization. NCCS not only knowing what and how but making students self-confident, self-disciplined and self-reliant by stressing value education, social work, counseling, career guidance, leadership training and other extracurricular activities has been the major focus at NCCS.

FACILITIES

BE ALL-ROUNDER AT NCCS

NCCS has installed different sporting sites within its own complex which includes both indoor and outdoor games Basketball, pool, table-tennis, badminton are few to be mentioned here. Elocution, public speaking, group-discussion, debate and seminars held within the complex will lead the student to be a step ahead among other competitors in any aspect of their life.

HIGH-TECH HOTEL MANAGEMENT COZY COMPUTER LAB

Specialized training kitchens and restaurants, bakery and confectionery labs, housekeeping lab and training guest room facilities, front office lab, computer lab with latest technology, audio visual facilities etc.

LIBRARY AT HOME AND SCHOOL

NCCS offers both online and traditional library with resources of information. Log on and access the resources from anywhere on its website or borrow a book from the library.

NCCS ON-LINE

NCCS provides collaborative platform for students to easily manage activities and work together effectively by communicating ideas and sharing information.

BE A PROFESSIONAL WHEN YOU PASS OUT

NCCS's well structured and industry tested professional IT courses are included as a part of Plus Two curriculum which upon completion will award a separate professional certification to the deserving students.

DIGITAL ELECTRONIC LAB

Get the in-depth engineering aspect with electronic lab at NCCS.

CAFETERIA

NCCS has cafeteria within its complex you can subside your hunger and take a rest for a moment enjoying your food.

EXTRA ACTIVITIES

A wide range of in house and outdoor extra-curricular activities are conducted by the school as demanded by education system and curriculum and as per interest of the students and parents. Outdoor activities include games like Badminton, Pool, Table tennis, Basketball and many more.

SPORTS

Sports bring students together and create a sense of community. They develop their team spirit. It is the fastest and easiest way to make friends. Apart from the academic excellence, we encourage our students to participate in various sports organized by the college every year. We also provide ample opportunities for them to participate in various inter-college tournament.

PROJECT WORK

Project work supports students in independent learning. It naturally leads them to do argument, whether that's about the interpretation of data, the validity of a philosophical viewpoint, or something that is concrete as the design. Students seek various alternatives to think critically and evaluate the merits of different possibilities. We provide project works to our students to strengthen their learning and sometimes they are sent in the field to accomplish their assigned task.

CULTURAL PROGRAM

College organizes a Special Event annually with Parents/ Guardians and Guests from various social spheres of life. Along with students presenting varieties of cultural programs, the annual progress of the college and students is monitored and shared among all.

FIELD TRIP & EDUCATIONAL VISIT

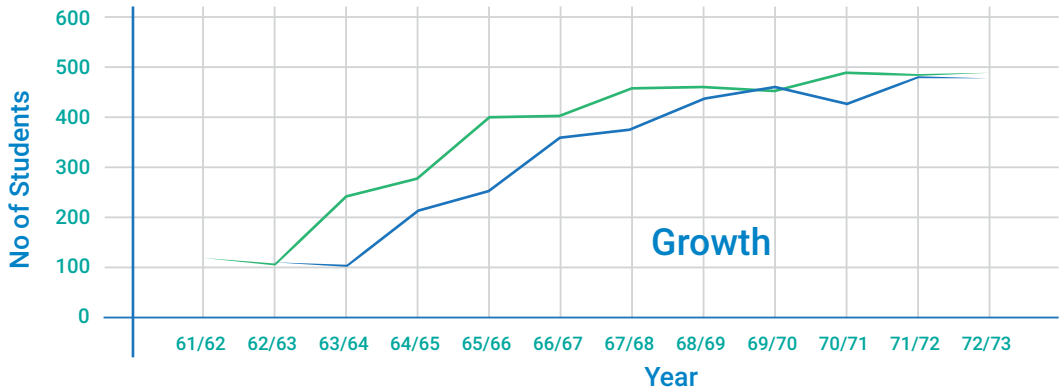

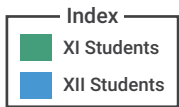

Excursions and Educational field trips for students are organized with prior consent from Parents and Guardians to enhance the knowledge of students thereby aiming at not only the classroom approach but also through practical hands-on approach. Parents are also encouraged to join on such trips.

OUR SISTER CONCERN

National Creative Co-educational School

A LITERATE SOCIETY WITH A PURPOSE, A PROGRESSIVE SOCIETY WITH IDEAS AND A CONSCIOUS SOCIETY WORKING TOWARDS ESTABLISHING A BETTER AND BRIGHTER FUTURE FOR ALL.

With this mission statement in mind National Creative Co-educational School (NCCS) aims to make the students understand the meaning of education and induce them to read and learn the subjects in a most pleasant, social and homely atmosphere, by the virtue of which they become successful citizens of the country, willing to devote their skills and knowledge for the betterment of motherland and their co-citizens. Education is provided in a stimulating, challenging but caring atmosphere by the selected expert and friendly teachers. "Achievement for all through the pursuit of excellence" is our motto. As the saying goes "Upon the education of the people of this country the fate of this country depends", we look forward towards the similar goal. Our aim is to make our students self sustained, independent, capable and moral citizens of our country.
